

# FAASteam CFI Workshop Module #7 - IWA

This is CFI Workshop Module #7 in a series of 8 modules. This module will cover and discuss the importance of Effective Teaching and Flight Reviews.

**Directions:** Follow Tillman Ave east and look for event signs. Please be sure to park in the designated area on Innovation Way. Parking lot on E Tillman Ave in front of the Simulator Building is designated for Chandler Community College. Fly In - taxi to GA parking and cross Sossaman Ave to the Simulator Building Room 255. (see ASU map attached)

## A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
